SPECIAL GUEST FOR ROUND UP

Return with us to those thrilling days of yesteryear!

Rev. Mark Winter will be at Eules First United Methodist Church on August 24, Round Up Sunday to kick off our John Wesley: Man on Fire sermon series with his presentation of "God's Cavalryman," a tribute to the circuit-riding preachers of the old frontier. Winter's circuit rider, a fictitious Methodist parson named Obadiah Ryder IV, is based on historical sources, including the journals of several old-time preachers.

Winter set his post-Civil War preacher in Texas. His character is a fourth-generation circuit rider, whose great grandfather rode under the

direction of the famous Methodist bishop, Francis Asbury.

"God's Cavalryman" is chock-full of good-natured humor, thrilling stories and audience interaction. Rev. Winter's appearance is straight out of the history books as he strides in with a Western hat, dust-spattered coat and high boots, a saddlebag slung over one shoulder. Congregations are also treated to pre-show narration with musical score that gives lively historical background on the Methodist circuit riders.

Winter, who lives in Fort Worth, Texas, is a General Evangelist of the United Methodist Church, using drama as his primary tool to communicate the

Good News of Jesus Christ.

He formed his One Man Show Ministries in 1999 as a "creative force for God."

Writing about God's Cavalryman, a United Methodist pastor in the Central Texas Conference commented, "You not only grabbed people's attention with humor and gusto, you also reminded us of the sacrifices that were made to start our church and the continuing call to reach out to the hurting and lost of the world, and 'bring them to Christ.'"

YOUTH MINISTRY

E1

EMENT STUDENTS

BE. LOVE. SERVE.

It's hard to believe that a new school year is starting! For the second year in a row,

E1EMENT STUDENTS hosted a Vision Night - a night of worship, communion, and the outlining of plans for the coming school year. As I've shared before, the vision statement for E1EMENT STUDENTS is: **To help students discover who God is calling them to BE. LOVE. and SERVE.**

This vision is also our process for living into the call of "making

disciples of Jesus Christ for the transformation of the world." If everything that we do helps students discover who God is calling them to Be. Love. & Serve., then we believe that students will become disciples of Jesus Christ empowered to transform the world. This vision filters everything we do in our ministry because we want students to be passionate about and involved with God's amazing work of redemption, reconciliation, and restoration of the world and all that is in it. It is a call to BE. LOVE. And SERVE.

My invitation to you:

I know that not everyone who reads this may have made it to Vision Night. SO, if you didn't make it and you're interested in learning more about how this looks as part of our weekly, monthly, and yearly plans for youth ministry at Eules First, let me know! I'd love to come share more about this grassroots vision with your Sunday School class, Bible Study, or other group here at Eules First! I'm also available for "one-on-one" conversations - I look forward to hearing from you. Blessings, Shane Mullin

PRESCHOOL

Eules First United Methodist Preschool is excited to begin another year! We have added a NEW Toddler class. We now take children who are 18 months old. This allows us to take children who are not potty trained, so 2 year olds who are not trained yet, may attend this class. We just opened it with 16

spots and only have one left! Enrollment is going very well this year. Our staff attended training classes last week with a coalition of Christian preschools at Compass Christian church. We had some awesome speakers who motivated us.

Classes will begin after Labor Day with a Parents' Meeting

on September 2. We will have an Open House for the students on September 3rd from 10:00 a.m. to noon. The first day of school is Thursday, September 4. We still have spots available in some of the classes, so please talk us up in the community! We'd like to fill every spot!

FROM THE PASTOR

**John Wesley:
Man on Fire**

Don't you absolutely love the musical excellence in our worship? Mark and Vicki Baker and our many volunteers lift our

spirits each and every week. We've come to expect it. For the next month, you can expect it to rise to another level.

This is because throughout the John Wesley: Man on Fire sermon series, we will be singing, and enjoying, the music of Charles Wesley.

Charles was John's younger brother. Where John was a

preacher and organizer, Charles was a poet and hymn writer. He wrote more than 6000 hymns.

More than 6000!

Many of them are in our hymnal. The first hymn in the hymnal, "O For a Thousand Tongues to Sing," is one of Charles Wesley's. It is number 57. If you'll turn the page, 58 is the original 17 verses of the song - the way Charles wrote it.

I don't know how many of the 6000 hymns had that many verses.

Clearly, John and Charles Wesley were both men of passion for serving Jesus. This is our heritage

as Methodists! Some focus on getting doctrine right. Some emphasize God's love, some God's justice, some the sacraments. Methodists have historically emphasized that we expect God to be involved in our lives, in the world around us, and to make a difference in both!

As we sing through the hymns of Charles Wesley these next five weeks, I invite you to pay attention to the words. As you listen to the choir, "catch the spirit" of what is going on in both the words and the music.

God can, and will, make a difference in you, around you, and through you!

CHILDREN'S MINISTRY

Happy August! Is everyone ready for another great school year? I was poking around the internet the other day and came across some Bible trivia and wanted to share some of my favorites with you:

Q. What do they call pastors in Germany?

A. German Shepherds.

Q. Who was the greatest financier in the Bible?

A. Noah. He was floating his stock while everyone else was in

liquidation.

Q. Who was the greatest comedian in the Bible?

A. Samson. He brought the house down.

These are of course, jokes. They gave me a laugh, and I hope they gave you one too! These would be great jokes for your children to tell at school as ice breakers, as well.

The Lord's Acre is just around the corner! We have some great games and activities planned for

that day. We are looking for volunteers to help run some of these games. All time slots are available, and your help would be a blessing! There are also spots open to help out in Children's Sunday School! If you are interested, please send an email to Aubree Marlow (children@fumceuleless.org) for more information.

HIGHWAY UPDATE

We are in conversation with Dan Foster, the attorney we have hired to represent us in the matter of Project 2E. He assures us we are on a good schedule and

up to date in our preparation for negotiations with the developer. Please keep this project in your prayers - especially that we would continue to be sensitive to God's

leading into the future God has for us and for the community around us.

KIDS BEACH CLUB

Good News! Beach Club is coming! Starting Tuesday, September 9 Euleless First has the opportunity to share the Gospel with kids at South Euleless Elementary School by partnering with KiDs Beach Club, a national ministry that desires to impact communities by connecting kids to Christ and putting Bibles in their hands.

Our volunteers are excited about sharing a fun-filled, Spirit-led

experience through this after school program with the children that God will be bringing to us each week. We are able to do this because of your support as a church, and we are truly grateful. We ask for your prayers for the kids and their families, the volunteers, and the school faculty and staff. In addition to the prayers, the sponsoring church body supports this ministry financially to provide snacks and

supplies, and serving as substitute leaders on occasion. VOLUNTEERS ARE ALWAYS NEEDED! The more the merrier.

For more information or inquiries about how you can help at our Beach Club at South Euleless, contact Pastor Beverly at beverly@fumceuleless.org or call the church office (817-283-4421).

BOOK CLUB

The August Book Club selection is N.T. Wright's Simply Christian. Why is justice fair? Why are so many people pursuing spirituality? Why do we crave relationship? And why is beauty so beautiful? N. T. Wright argues that each of these questions takes

us into the mystery of who God is and what he wants from us. For two thousand years Christianity has claimed to answer these mysteries, and this renowned biblical scholar and Anglican bishop shows that it still does today.

Join Pastor Steve on **August 31, following the 11:00 a.m.** service to discuss this book. If you are in need of Child Care, please be sure to let the office know by August 24.

STEWARDSHIP MOMENT

The Number One Reason Why People Give

Numerous studies have shown that the number one reason people give is a belief in the mission of the institution.

We here at Eules First have a mission statement: To make Disciples for Jesus Christ for the transformation of the world. I want you to know that our mission statement is more than a cute phrase. We truly believe this is what God has called us to be about. It is our way of doing Kingdom work for Jesus.

Consider if you will that this summer we have:

- Sent 19 on the Central Texas Youth in Mission Trip
- Gave almost \$3000 for back packs to Back 2 School.
- Shared the love of God and taught the bible to some 100

kids during Vacation Bible School

- Supported the work of our denomination around the globe.

I could go on and on about all we do with the gifts that you so freely give us. We take seriously the trust you give us every time you put money in our offering plates. Sure we pay the light bills and the salaries but we do so much more. Your gift allows us to make a difference in our town for Christ. Without your faithfulness in giving none of what I just listed would ever happen.

Paul wrote to the church at Corinth about their giving and said, "This service that you perform is not only supplying the needs of the Lord's people but is also overflowing in many expressions of thanks to God.

Because of the service by which you have proved yourselves, others will praise God for the obedience that accompanies your confession of the gospel of Christ, and for your generosity in sharing with them and with everyone else."

II Corinthians 9: 12 – 13

Eules First is making a difference for Jesus not only here locally but around the globe. Consider this as our ushers come forward each Sunday morning to take up the offering. Your gift can and will make a difference in countless lives. You know what else? You benefit from many of the ministries that we do here. So if for no other reason, give today to support the work we do for you! It is making a difference.

3 WAYS TO DEAL WITH JUDGMENTALISM

So how do you attack the problem of Christian judgmentalism? It's a big subject for sure, but here are 3 things you can change starting today that will help you tackle judgmentalism.

1. Eliminate the Christian double standard. The Christian double standard sounds like this: your sin is worse than my sin.
2. Practice discernment, not

judgment. Judgment is a loaded term in our culture. The original Greek term is a little less loaded. It means to decide. Here's a rule of thumb to use to check motives: Judgment distorts because we can't see what God sees, and judgment belongs to him. Discernment, by contrast, is helpful and restorative. Discernment, exercised well, helps people and can remedy the

situation.

3. Start with Ministry, not Theology. So how do you engage outsiders then? If you look at how Jesus approached outsiders, he always started with ministry and ended with theology. He loved hanging out with people who were nothing like him. When you start with theology you become intolerant. Your judgment betrays God's acceptance.
