JUST WALK ACROSS THE ROOM

Just Walk Across the Room

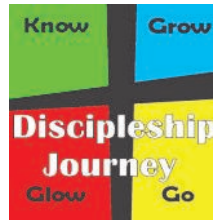

Just Walk Across the Room is a 5 week small group study offering a fresh, personal approach to evangelism. It provides simple, practical steps that all can do to help

point people to faith. It encourages you to "live in 3D": develop friendships, discover stories, and discern

appropriate next steps. Classes will be Tuesday nights - 6:30 to 8:00 p.m. Beginning October 1 thru 29 in the Swor Parlor. The class will be facilitated by Bob & Brenda

Menton. The cost is \$10, and the deadline to sign-up is **Sunday, September 29.**

If you have any further questions please contact the church office at 817-283-4421.

FROM THE PASTOR

"Story" gets a bad rap these days. Like a story is something you make up.

There are stories that are made up, sure, but the real stories are the ones we live. Your life is a story; my life is a story; our lives together are a story.

Whatever else is true, this is: all of our stories together fit within the great story of God and what God intends for creation. I'm not making this up.

Not everyone knows this or feels this. Many feel estranged from God. Some think their own story is all there is. Some don't know God has this bigger story.

This is why it is so important for us to learn to tell our stories. We have to learn to tell our stories so that others can hear the good news in them.

The good news is, of course, the Good News! In Jesus death and resurrection, God takes all the hurt, brokenness, and loss and offers us healing, wholeness, and life.

For others to understand how good this good news is, we HAVE to tell them. Like the hymn says:

We've a story to tell to the nations, that shall turn their hearts to the right, a story of truth and mercy, a story of peace and light. For the darkness shall turn to

dawning, and the dawning to noonday bright; and Christ's great kingdom shall come on earth, the kingdom of love and light.

How you tell your story depends on to whom you are telling it. Some people need to know something of our hurt and brokenness and how God has been working on it because they have their own hurt and brokenness.

Tell your story. Listen to the stories of others. Give God the glory.

ADOPT A SCHOOL

“I alone cannot change the world, but I can cast a stone across the waters to create many ripples.” –Mother Teresa-

Euless First United Methodist Church has had many years of involvement in supporting our neighbor South Euless Elementary School. But we have now taken it a step further and have “officially” become their partner through the HEB ISD Adopt-A-School program!

Here are a few facts you may not realize about South Euless Elementary:

- over 800 children attend the school
- it is culturally diverse, with approximately ¼ each black, white, Hispanic & Asian/ Tongan
- it is rated #3 of the Top Ten Elementary Schools in Texas
- the school is celebrating its 100th Anniversary this year
- 70% of its students live below the poverty line

The principal, counselor and nurse have brainstormed about how Euless FUMC might best be able to help their students and their #1 request of us is to

provide mentors to eat lunch with a child who never has a parent able to come. This would simply involve driving to the school and spending a 30-minute lunch period one-on-one with a child...once a week, once a month, whatever! There will be other needs as the school year progresses, but for now this is their most urgent request of us.

For further information please contact Lynne Moffatt, Risk-Taking Mission & Service Chairman, at (817)571-2420 or Rev. Beverly Springer in the church office.

FOOD PANTRY NEWS

The Food Pantry volunteers are getting ready to give out the annual Thanksgiving Bags to our clients in the H.E.B. area. We are asking our congregation to take the list below to the grocery store and fill at least one bag or maybe two. We are anticipating that we will need 200 bags. We will begin giving out the bags on November 1, 2013. That will be a full month of giving the bags.

Our clients can only come once a month and we want all those that need a bag to have a bag. Please have your donation to the church by Sunday, October 20, 2013. We will add a canned ham to each bag.

Items for bags:

- 1 - small box tea bags
- 1 - 2 lb. bag sugar
- 1 - cake mix
- 1 - frosting mix
- 2 – cans evaporated milk
- 2 – cans whole kernel corn
- 2 - cans green beans
- 2 - cans fruit cocktail
- 2 - cans chicken broth
- 2 - boxes chicken stuffing mix

The Food pantry is so grateful for all of its volunteers. Here is the upcoming schedule:

- Food Bank Trip for October is Oct. 16, 2013.

HEART SAVER CPR & AED TRAINING

With the large number of people who are coming and going in our active congregation, safety is one of our number one priorities. In preparation for the purchase and installation of an Automatic

External Defibrillator at Euless First United Methodist Church, we need to schedule training for CPR and the AED. Please notify the church office if you are interested in this training.

Once we have a list of names, we will schedule a date for the training. Thank you for your interest.

YOUTH

As you saw last Sunday in the Top 5, it was announced that the youth at Eules First, E1ement Students, have a new web site for all things youth ministry. E1ementstudents.com is now up and running.

There may be some of you that are unsure of the necessity of a second web page exclusively for student ministries. Well, this is a great thing for Eules First. This will be a place for youth to look for any information about youth

ministries. The reality in our world is that younger people are a different demographic than the church body as a whole. So while Eules First's web page has been recently updated, it is designed to be usable for persons of ages 18 thru 95 years of age. It is difficult to make something appealing to such a large demographic. Yet, for youth that are looking to attend a student ministry program, they will look to a web page designed specifically for them and be much more likely to attend.

Eules First is blessed to have Shane Mullin on staff. He brings with him 15 years of experience in working in youth ministry. He has worked very hard to listen to

adults and students and has laid out a well thought-out plan for ministry at Eules First. While this involves many changes from what we have experienced in years past, this plan is truly one that will help us move forward.

Whatever your demographic, you are invited to check out E1ementstudents.com and let Shane know what you think. Together we are growing young persons to not be the church of the future but to be the church of the present. Please keep the student ministries of Eules First United Methodist Church in your prayers. Together we are making disciples of Jesus Christ for the transformation of the world.

OCTOBER OF OPPORTUNITIES

October is just a few weeks away. It is just over a month until the Lord's Acre on October 26.

So now is the time for you to gather your donations whether they are handmade masterpieces, a little something for the Kountry Store, or a nice item that you

were able to acquire new. We need your help to make this event truly all that it can be.

October of Opportunities is really about a chance for you to make a difference in others' lives. Each week people are in need of food and so much more. Many people come through the Food Pantry at Eules First as well as call the office looking for financial aid. Funds that are raised in October

are donated to these causes.

We hope that everyone at Eules First will find some way to participate. Together we can take the opportunities that are before us and come together and help others. Please prayerfully consider how you can help.

If you have an item to donate, there are donation forms available in the church office.

PRESCHOOL AND KINDERGARTEN

Angel News:

Preschool is off and rolling! We still have some openings so we'd love for you to keep referring us! We'd also like to remind you to save your Labels for Education and BoxTops from so many different products. Just cut them out and put them in our container next to our office. You'd be surprised how they add up! Our last BoxTop collection

netted over \$300 to be used for school materials.

This year in chapel, Pastor Steve is leading us in The Story by Max Lucado. Each week we will learn about a different Bible story and it will go in Biblical order throughout the year. This week was the story of creation. We'll have a memory verse to go with some of the stories.

We had our first Team Spirit Day

last week. The kids all gathered in the gym wearing their red school shirts for some songs and team spirit!

The kids are learning a lot, and there are so many more things to come. Thank you for all of your support, and please continue to keep these little angels in your prayers.

A THEOLOGY OF ABUNDANCE

If I am to help in the development of a theology of abundance I'll have to encourage a whole lot of unlearning. For decades the church has taught that while paying lip-service to stewardship we leave the impression that we are really only concerned with the balancing of the books; paying down the debts, and meeting the apportionment. We talk about "time" and "talents", but our real interest is "treasure". That is why most stewardship programs start in the Fall just when the budget is being produced. That is why there is a loud groan across the United Methodist Church when "stewardship time" comes around every year. The common theme is "This is how much will balance the books", as people are encouraged to give to the needs of the church.

All that has to be unlearned if I really mean to teach about abundance, and not scarcity; about stewardship and not fund-raising.

Where shall we begin? I believe the foundation for stewardship is not what the church needs me to give, but rather on my need to give. I am not called to run stewardship programs; I am called to be a steward, and a steward is one who has been entrusted with what belongs to someone else, for the benefit of that "someone". If I take the scriptures seriously I realize that everything I have – even life itself – has been entrusted to me by a loving, caring God. Apparently God trusts me to use what has been put into my hands, to further God's agenda – or to use the biblical term, "to build the kingdom". It has all been

entrusted for God's purposes and benefit.

Abundance is celebrated in the incredible fact that so much has been put into our hands, both as individuals and as faith communities. To think of scarcity is to judge that God has not entrusted enough.

I will encourage people to discover a theology of abundance, by helping them -

- Name what has been entrusted.
- Be specific about what is being done with what has been entrusted.
- Identify in what way God benefits from what has been entrusted.

Here is a foundation for stewardship as a faith response to God, and not a knee-jerk response to what the church's needs might be.

+Douglas Hambidge – June 2010

If I take the scriptures seriously I realize that everything I have – even life itself – has been entrusted to me by a loving, caring God.

CHILDREN AT EULESS FIRST

Children at Eules First United Methodist Church are a wonderful part of our community and our lives. We all can help these little people to grow and develop in their faith. The Children at Eules First need your help. Volunteers are currently needed to teach Sunday school and help with Kids Worship. So whether you are a parent, or just love children, we need you.

We as a church community are here to help your entire family. We are currently in the process of hiring a new Children's Director and hope that you will pray for this ministry and future leader at Eules First. Your help is needed now. Please contact Pastor Beverly if you can help.

As a part of our efforts to grow disciples for Jesus Christ for the transformation of the world, we want to nurture the entire family. So whether you are able to help volunteer or not, here are some tips.

Most faith-filled adults were raised by faith-filled parents. Children learn and model their faith through the examples of their parents and other important adults in their lives.

In Parenting on Point: Leading Your Family Along God's Path, James Williams emphasizes the importance of nurturing the faith of your children through the consistent-and daily-practices you model for them and the environment that these practices create. Williams suggests you

make the following part of your daily practice of nurturing your child's faith:

- Talk openly and frequently about your own faith and beliefs.
- Pray together with your children, especially at meals and bedtime.
- Have a regular family devotion time.
- Allow everyday occurrences to become opportunities for acknowledging God's presence and making faith connections (e.g. thanking God for a beautiful day, pointing out how God helped you in a particular situation, and so forth.)
- Make being involved in church a high priority.

CHILDREN'S CHOIR

Every month we are blessed to hear small voices of young persons sing. Communion Sunday's are even more special when we hear their sweet sounds.

Carla Fink has been wonderfully leading this group of young persons for some time now. On Round Up Sunday the older students introduced us to the new bells. This marked some changes within the Children's Music Ministry at Eules First

United Methodist Church.

Younger and older children will be dividing during their normal music times on Sunday mornings. Sunday September 8 was the beginning of this switch. Younger children aged 3-4 will now be meeting in room 213 with Audrey Coats leading them. While children ages 5 through 6th grade are meeting in the sanctuary with Carla Fink continuing to lead them. Older students will be learning some

bell as well as other music theory. Both groups are meeting at 9:45-10:00 a.m.

Please join us on Sunday Oct. 6, when we hear bold groups come together to sing He's Got the Whole World In His Hands. The children will be playing the bells on October 20 during the Doxology.

BISHOP'S BIBLE CAMP

There is still time to register for the Central Texas Conference's Bishop's Bible Camp. Bishop Lowry will be leading a study of Mark on Saturday, September 21, 2013, at Glen Lake Camp & Retreat Center beginning at 9:00 a.m. thru 3:30 p.m. Cost is \$8.00 for lunch.

Journey inside the pages of the Scriptures with Bishop Lowry to meet a personal God who enters individual lives and begins a creative work from the inside out. Shaped with the individual in mind, Immersion encourages simultaneous engagement both with the Word of God and with

the God of the Word to become a new creation in Christ.

Go to www.ctcumc.org/bishopsbiblecamp to register. For more questions contact Rev. Dawne Phillips at dawnephillips@ctcumc.org or 817.877.5222.

CONGRATULATIONS

A great big "We are proud of you and congratulations!" goes out to Barbara Collier for being awarded Volunteer of the Month for the Month of September. The City of Eules Parks and Community Services Department considers Volunteers to be a very important part of our success.

They are a crucial part of our Special Events. In fact, without help from our Family of Volunteers, our events would not survive. That is why we at the City of Eules celebrate their volunteers.

We are proud of all our members and their involvement in the community. Together we

grow a community that is living out the Kingdom of God.

Give Barbara a big pat on the back, and thank you all for your continued support to make our community even more wonderful.

WINTER ROUND-UP

United Community Center is asking for your help. They are in need of coats and sweaters. To help the United Methodist

local mission opportunity there is a white tub in the Swor Parlor for donations from now through January. The Eules First United

Methodist Women thank you for your help.
